

Budget Committee Meeting

March 20, 2018

Members Present: T Smith, G Rumph.

Also present: D McGuckin

There was not a quorum present at 5:05pm.

Chairman Smith stated no meeting will be held.

The intent of this meeting was to complete BC recommendations along with Warrant Articles. As a result, the Budget Committee will meet on Tuesday, March 27th.

At this point the Warrant Articles are incomplete and incorrect, hence the need for the March 27th meeting prior to the Public Hearing to be held on April 3rd.

Respectfully submitted,
Tom F Smith, Chairman
