### **Maintenance and Projects**

#### **Frost:**

- Once we have an estimate for repairing Frost stone wall, for a winter project, we will contact Historic New England which holds the trust fund for the cemetery.
- Need estimate for tree removal and trimming overgrowth.
- Weeding, mulching, clean up was done.
- A few stones to be cleaned and footstones to be made upright.

**Marvin:**

- Entrance and edges need trimming.

**Oceanside:**

- Oceanside survey is done. TFM engineering completed it, including exterior survey with markers finished August 14, 2023. Bill from TFM for \$2,195.03 is paid in full.
- 

**Prescott:**

- 

**Riverside:**

- Woodshed lots are re-loamed
- Tarlton plot #112 section IV in Riverside. Located behind large 17'X23' lots of Andrew H. White needs probing. Our records say it was owned by Tarlton Family.

**Tarlton:**

- Stones are repaired and iron railing welded. Both stones and railing are repaired, services are paid in full.

**Equipment and Supplies**

- Fall stone clean up will start in September.

**Rules and Regulations**

- Metal detecting prohibited in all New Castle Cemeteries.
- 

**Other:**

- Life Savers Service Markers scheduled at Riverside for Saturday, September 24, 2023.
- Review 2023 MS-9 was returned to fix cemetery fund. Returned for correction and resubmission. Terri e-mailed town and waiting for an answer.
- George Bell's footstone.
- Working on a rule stating that cemetery mowers to be charged for any damage done in cemetery due to inattentiveness.
