Other Business

Water line to Riverside – The town will pay to have a spigot put in at the entrance to Riverside when the new water line is installed in town.

Monument repair – Due to this fiscal year's expenses, we're going to postpone gravestone repair until the next fiscal year. Carol will contact Kai and ask him to come out in June or July to give us an estimate. It appears we can spend up to \$1,000.

We authorized Terri to buy the needed flags for the cemeteries and take the money from the monument repair fund.

We need a more powerful light on the flagpole at Riverside as the current light does not properly illuminate the flag at night. This new light should cost \$400 and will come out of the monument repair fund also.,

Next Meeting May 15 at **3.30** p.m.
