

Town of New Castle, NH
Settled 1623
Incorporated 1693

April 26, 2021

TOWN ELECTION & BUSINESS MEETING: May 11, 2021

Election polling hours are 8am to 6pm at the New Castle Recreation building. Please note the COVID-19 safety measures in place:

- **Hand Sanitization:** residents are encouraged to sanitize their hands at the voting entrance of the building. Please follow all 6' social distancing guidance.
- **Face Masks:** all residents must wear a face mask to enter the building. Please bring your own face mask. If you do not have a facemask, one will be provided to you. If you refuse to wear a face mask, you will be denied entrance into the building. However, an election official will contact the Moderator (or his designee) to provide you with an alternative pathway for voting.

Registration for the meeting starts at 6:45pm with the meeting beginning at approximately at 7pm. In addition to the COVID-19 safety measures above, please note:

- **Check-In:** upon arriving, proceed to check-in to receive your voting placard
- **Seating:** Approximately 160 floor seats are socially distanced inside the building for masked residents.

Overflow and non-masked seating is in the back of the building in the parking zone. Outside audiovisual equipment allows residents outside to fully participate in the meeting. Please bring an umbrella as outside seats are not covered.

Please Note: the building is closed to the public from approximately 6pm until 6:45pm to allow for COVID cleaning and additional set-up time between events. Thank you for your patience.

John Poisson
Moderator, Town of New Castle
