

Dear New Castle Community Leaders and SAU Colleagues:

Sharing some good news: It recently came to my attention that **MHT was named the #1 school in NH!** Although we have had this ranking before from/in *Patch.com*, this is the first time I noticed it in *U.S. News and World Report!*

Congratulations to the teachers and staff, and thank you for the ongoing support and commitment of/from the community!

U.S. News and World Report:
