

# ATTENTION

## New Castle Residents

**Beginning May 4, 2020, both your trash and recycling will be collected every Monday.** It is very important to place your containers at the curb before 7:00 AM on collection day. Your frequency of service will remain unchanged.

We encourage you to review the acceptable/unacceptable recycling items poster on the back and keep it in a handy place - even consider displaying it on your refrigerator or near your kitchen recycling bin.

As always, we sincerely thank you for your business and we will continue to search for more opportunities to provide you with exceptional service and environmentally sustainable solutions.

Please call us at **207-883-9777** if you have any questions regarding this change.
