

Town of New Castle, NH
Settled 1623
Incorporated 1693

Update March 28, 2023

A quick note to let you all know that the state offered, and we chose to receive several **free PPE- gloves and masks, as well as disinfectant wipes.**

They are free for anyone to take-individuals, clubs, etc.

No checkout procedure needed and no limit to what you may choose to take.

They are at the Town Hall, across from the Select Boards office.

Additionally, we will be posting a general health update (not primarily COVID) in the next couple of weeks.

Yours in Health,
