Town Meetings

We are writing to inform you that all Town meetings are on hold unless otherwise noticed. If a public meeting is necessary, the Town will provide access to the virtual meeting through the online provider Zoom. Participants are not required to pay for Zoom, you can join Town sponsored meetings for free.

Information specific to Zoom can be found by clicking on the attached link: <https://zoom.us>.

If a meeting is to take place, notice of the meeting will be placed on the Town Hall front door and an agenda will be posted to the Town's website with instructions on how to log into the free virtual meeting. Once the meeting is posted to the Town's website, email notification will be sent out to those who have signed up to receive notifications. To ensure that you received meeting notifications, please go to the Town's website and select "notify me" on the home page within the Citizen Action Center. Then select which notifications you would like to receive.

If you have questions specific to a meeting, please call the Town office at 603-431-6710 Ext:10
