Dear Esteemed Trustees,

The Library Trustees are enclosing a check in the amount of Ten Thousand Dollars and no cents (\$10,000.00) to establish a trust fund in that amount with the interest to be issued on a quarterly, semi-annual or annual basis, to the New Castle Public Library for the purchase of books.

The Library Trustees request that the principle be made available, with the appropriate notice that the investment terms require, to the Library Trustees for their determined use.

Should you require additional information, please contact one of the Library Trustees. Thank you for your consideration.

Sincerely

Mary Beth Kelly  
Library Trustee
